REPORTING CHANGES TO THE IRS

You must report changes in your name, address, purposes, operations or sources of financial support on your annual information return. You may also report these changes to the TE/GE Exempt Organizations Determinations Office at the following address: Internal Revenue Service, P.O. Box 2508, Cincinnati, OH 45201. However, such reporting does not relieve you of the obligation to report the changes on your annual return.

TIP: Attach copies of any state certified articles of incorporation, or if an association signed constitution, bylaws, or other organizational document showing the changes. Trusts should provide trust instruments. If state certified copies or signed governing documents are not available, an authorized officer may certify that the governing document provided is a complete and accurate copy of the original document.

Please use your employer identification number on all returns and in all correspondence with the Internal Revenue Service.

FILING REQUIREMENTS

In your exemption letter, we indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If your exemption letter states that you are not required to file Form 990, you are exempt from these requirements. Otherwise, if your gross receipts are normally more than \$25,000, you must file Form 990 or Form 990-EZ with the Ogden Submission Processing Center, Ogden, UT, 84201-0027.

You are eligible to file Form 990-EZ if your gross receipts are normally between \$25,000 and \$100,000, and your total assets are less than \$250,000. You must file the complete Form 990 if your gross receipts are over \$100,000, or your total assets are over \$250,000. The Form 990 instructions show how to compute your "normal" receipts.

AUL ACTION NFP

Organizations With Gross Receipts of \$25,000 or Less

For tax periods beginning after December 31, 2006, you must file an annual electronic Form 990-N ("e-Postcard") if your gross receipts are normally \$25,000 or less. Alternatively, you may file a complete Form 990 Package if we send one to you. For information on filing the new electronic Form 990-N ("e-Postcard"), visit our Web site at www.irs.gov/eo.

Due Date of Return or Annual Electronic Notice

Your return or annual electronic notice is due by the 15th day of the fifth month after the end of your annual accounting period. There are penalties for failing to file a complete return timely. For additional information on penalties, see the Form 990 instructions or call our toll free number.

Revocation of Tax-Exempt Status

For tax periods beginning after December 31, 2006, your tax-exempt status will be revoked as of the filing due date for the third year if you fail to file for three consecutive years Form 990, Form 990-EZ, or the electronic Form 990-N.

If your tax-exempt status is revoked because you failed to file, you must reapply for exemption and pay the appropriate user fee.

UNRELATED BUSINESS INCOME TAX RETURN

If you receive more than \$1,000 annually in gross receipts from a regular trade or business, you may be subject to Unrelated Business Income Tax and required to file Form 990-T, Exempt Organization Business Income Tax Return. Special rules for organizations exempt under sections 501(c)(7), (9), (17) and (19) are described in Publication 598, Tax on Unrelated Business Income of Exempt Organizations.

There are several exceptions to the tax on unrelated business income:

1. Income you receive from the performance of your exempt activity,
2. Income from fundraisers conducted by volunteer workers, or where donated merchandise is sold, and
3. Income from routine investments such as certificates of deposits, savings accounts, or stock dividends.

There are special rules for income derived from real estate or other investments purchased with borrowed funds. This income is called "debt financed" income. For additional information regarding unrelated business income tax, see Publication 598, Tax on Unrelated Business Income of Exempt Organizations, or call our toll free number shown above.

PUBLIC INSPECTION OF APPLICATION AND INFORMATION RETURN

AUL ACTION NFP

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return, or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. You must also provide copies of these documents to any individual, upon written or in person request, without charge other than reasonable fees for copying and postage.

You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or call our toll free number shown above.

EXCESS BENEFIT TRANSACTIONS (Applies to 501(c)(4) organizations)

Excess benefit transactions are governed by section 4958 of the Code. Excess benefit transactions involve situations where a section 501(c)(4) organization provides an unreasonable benefit to a person who is in a position to exercise substantial influence over the organization's affairs. If you believe there may be an excess benefit transaction in which you are involved, you should report the transaction on Form 990 or Form 990-EZ. For information on how to correct and report this transaction, see the instructions for Form 990 and Form 990-EZ, or call our toll free number shown above.

EMPLOYMENT TAXES

If you have employees, you are subject to income tax withholding and the social security taxes imposed under the Federal Insurance Contribution Act (FICA). You are required to withhold Federal income tax from your employee's wages and you are required to pay FICA on each employee who is paid more than \$100 in wages during a calendar year. To know how much income tax to withhold, you should have a Form W-4, Employee's Withholding Allowance Certificate, on file for each employee.

You are also liable for tax under the Federal Unemployment Tax (FUTA) for each employee you pay \$50 or more during a calendar quarter if, during the current or preceding calendar year, you had one or more employees at any time in each of 20 calendar weeks or you paid wages of \$1,500 or more in any calendar quarter.

Employment taxes are reported on Form 941, Employer's Quarterly Federal Tax Return. The requirements for withholding, depositing, reporting and paying employment taxes are explained in Circular E, Employer's Tax Guide, (Publication 15), and Employer's Supplemental Tax Guide, (Publication 15-A). These publications explain your tax responsibilities as an employer.

AUL Action will use its website, mail, newsletters, radio, television, and meetings and conferences to discuss both the underlying public policy issues and how those who share its convictions on these issues can and should address particular legislative initiatives at both the federal and state level. Among other items, it will publish reports of how legislators voted on bills related to life issues.

AUL Action will engage in lobbying on legislative bills and ballot issues in particular states.

AUL Action will encourage its members and donors to themselves engage in both legislative (e.g., grass roots lobbying, letters to the editor) and political activity (e.g., volunteering in campaigns, registering to vote, voting), in support of pro-life public policy issues. However, AUL Action will not itself engage in activity to influence the election, nomination, or other selection of any person to elective public office.

The Assistant Treasurers and Assistant Secretaries, in general, shall perform such duties as shall be assigned to them by the Treasurer or the Secretary or by the President or the Board of Directors. If required by the Board of Directors, the Assistant Treasurers shall give bonds for the faithful discharge of their duties in such sums and with such sureties as the Board of Directors shall determine.

10. Compensation. Officers shall not receive any stated salary for their services as such, except as may be approved by a majority of outside Directors. Expenses incurred by Officers on behalf of the Corporation may be reimbursed upon review and approval of a majority of outside Directors.

ARTICLE III

COMMITTEES

1. Authority. (a) The Board of Directors, by resolution adopted by a majority of the Directors in office, may designate and appoint one or more committees of its members, each of which shall consist of two or more persons, which committees, to the extent provided in said resolution, shall have and exercise the authority of the Board of Directors in the management of the Corporation; provided, however, that no such committee shall have the authority of the Board of Directors in reference to amending, altering, or repealing the Bylaws; electing, appointing, or removing any member of any such committee or any Director or officer of the Corporation;

amending the Articles of Incorporation; adopting a plan of merger or adopting a plan of consolidation with another corporation; authorizing the sale, lease, exchange, or mortgage of all or substantially all of the property and assets of the Corporation; authorizing the voluntary dissolution of the Corporation or revoking proceedings therefor; adopting a plan for the distribution of the assets of the Corporation; or amending, altering, or repealing any resolution of the Board of Directors which by its terms provides that it shall not be amended, altered, or repealed by such committee. The designation and appointment of any such committee and the delegation thereto of authority shall not operate to relieve the Board of Directors or any individual Director of any responsibility imposed upon it or him by law.

(b) Other committees not having and exercising the authority of the Board of Directors in the management of the Corporation may be designated and appointed by resolution adopted by a majority of the Directors at a meeting at which a quorum is present, or by the Chairman as authorized by a like resolution of the Board. Membership on such committees need not be limited to Directors.

2. Term. Each member of a committee shall continue as such until the next annual meeting of the Directors of the Corporation and until his successor is appointed, unless the committee shall be sooner terminated, or unless such member be removed from such committee, or unless such member shall cease to qualify as a member thereof.

3. Chairman. One member of each committee shall be appointed chairman by the person or persons authorized to appoint the members thereof.

4. Vacancies. Vacancies in the membership of any committee may be filled by appointments made in the same manner as provided in the case of the original appointments.

5. Manner of Acting. Unless otherwise provided in the resolution of the Board of Directors designating a committee, a majority of the whole committee shall constitute a quorum and the act of a majority of the members present at a meeting at which a quorum is present shall be the act of the committee. Each committee may adopt rules for its own governance not inconsistent with these Bylaws or with rules adopted by the Board of Directors.

ARTICLE IV

CONTRACTS, CHECKS, DEPOSITS AND FUNDS

1. Contracts. The Board of Directors may authorize any officer or officers, agent, or agents of the Corporation, in addition to the officers so authorized by these Bylaws, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation and such authority may be general or confined to specific instances.

2. Checks. All checks, drafts, or orders for the payment of money, notes, or other evidences of indebtedness issued in the name of the Corporation, shall be signed by such officer or officers, agent, or agents of the Corporation and in such manner as shall from time to time be

determined by resolution of the Board of Directors. In the absence of such determination by the Board of Directors, such instruments shall be signed by the Treasurer or an Assistant Treasurer and countersigned by the President or Vice President of the Corporation.

3. Deposits. All funds of the Corporation shall be deposited from time to time to the credit of the Corporation in such banks, trust companies, or other depositories as the Board of Directors may select.

4. Funds. The Board of Directors may accept on behalf of the Corporation any contribution, gift, bequest, or devise for the general purposes or for any special purpose of the Corporation.

ARTICLE V

BOOKS AND RECORDS

The Corporation shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of its Board of Directors and committees having any of the authority of the Board of Directors.

ARTICLE VI

PROCEDURE

The rules contained in the most recent edition of Robert's Rules of Order shall provide the rules of procedure for the Corporation where they are not inconsistent with the provisions of the Articles of Incorporation or these Bylaws.

ARTICLE VII

AMENDMENTS TO BYLAWS

These Bylaws may be altered, amended, or repealed and new Bylaws may be adopted by a majority of the Directors present at any regular meeting or at any special meeting, if at least seven days' written notice is given of intention to alter, amend, or repeal, or to adopt new Bylaws at such meeting. However, no alteration, amendment, or repeal of any Bylaw, and no new Bylaw provision, shall be effective unless and until it has been approved by the Board of Directors of AUL.

Dear Chip,

Your support has helped us and our pro-life allies to dramatically shift the health care debate. President Obama and Congress are taking notice of the firestorm in the town hall meetings; and from the phone calls, letters, and visits to their congressional offices across America. We both know that the heart of health care reform should be **to preserve and protect life** and that message is getting to Congress and President Obama.

However, the **FIGHT is NOT over yet**. We still need you to help us defend the most vulnerable among us including the unborn and the elderly. Please [tell Congress](#) and [tell President Obama](#) that the type of health care "reform" that requires taxpayer-payer funded abortions, that won't allow doctors or nurses the right to object to performing acts contrary to their conscience, and denying life-sustaining treatment to the terminally ill and the chronically ill, is **UNACCEPTABLE**.

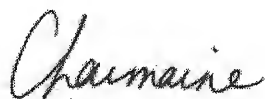

[Click to watch the Stop the Abortion Mandate video.](#)

Are you wondering how else you can make your voice heard? Go to your nearest town hall meeting and ask informed questions. Our legal team has done the research for you. Take our flyer with you to ask your legislator the tough questions: [Click here to download the flyer.](#)

Our organization is a member of the largest pro-life coalition against the abortion mandate in health care: [StopTheAbortionMandate.com](#). This coalition just released **a stunning new video (above)** showcasing many respected pro-life leaders voicing their concerns about President Obama's health care bill. Please forward this message to all of your family, co-workers, and friends so they can **see this important video**.

Take action! AUL action

Dear Daniel,

I mentioned last week that Americans United for Life Action was bracing for a long, hot summer here in Washington and as we all know from watching the weekend news, the heat over the health care debate is rising rapidly.

Just yesterday, in a *USA Today* op-ed, House Speaker Nancy Pelosi (D-Calif.) and Majority Leader Steny Hoyer (D-Md.) argued that the people attending town hall meetings and questioning the wisdom of the House health care reform bill have been "un-American." "Opponents are afraid not just of differing views," they write, "but of the facts themselves."

But as John Adams famously argued in 1770, "**Facts are stubborn things.**"

The truth is that there is nothing more American than the First Amendment right to "petition the government for a redress of grievances." The **facts** of the plan under consideration demand that pro-life Americans speak up **now** or risk being forced to pay for a plan that mandates taxpayer funds for abortion, strips health care providers of conscience rights, and threatens the ill and elderly with denial of care.

Here's a better idea than questioning one another's patriotism: **show them you're not afraid of the facts.** Go to your U.S. senator or representative's town hall meeting and ask informed questions. AUL's legal team has written a talking-points flyer for pro-lifers to distribute at these meetings. It gives detailed information on the parts of the bills under consideration that relate to abortion, end-of-life care, and conscience rights. The flyer also includes our three essential principles that must be in any health care reform plan that protects life. [Click here to download the flyer.](#)

All the information on the flyer is also available on AUL's RealHealthCareRespectsLife.com, along with additional in-depth analysis from our legal experts on the health care reform plans currently in the House and Senate. If you haven't done so already, make sure to sign the site's petition to add your voice to the thousands urging the President to keep abortion out of health care. Thank you for joining me in protecting and defending life!

Essential Principles for Next Health Care

1. Health care reform must expressly exclude mandates of any kind for abortion, for infanticide, or for other violations of federal, state, or local laws.
2. Health care reform must provide broad protection for the freedom of conscience of all Americans, whether or not they are health care providers or religious entities. No person, provider, or insurer should be compelled to act contrary to his or her conscience in the payment for, provision of, or performance of health care.
3. Health care reform must not contain provisions that mandate or encourage the termination or suppression of effective life-sustaining treatment to the terminally ill, the chronically ill, or the permanently disabled.

Caught on Tape: Obama Calls Abortion the Center of His Health Care Agenda

If you've seen our FightFOCA.com, you know that, as a presidential candidate, Barack Obama promised abortion advocates at a Planned Parenthood conference that the "first thing" he'd do as President was to sign the Freedom of Choice Act. Thankfully, you and the 700,000 others who signed our "Fight FOCA" petition helped convince him that was a bad idea. But did you know that, at that same conference, Obama said that mandated abortion coverage would be at the "center and heart" of his health care agenda? He did, and [we've got the tape](#).

Take action! **AUL**  action

Dear Daniel,

As members of Congress begin their recess, President Obama has made it clear that the first issue they'll take up when they come back in September will be health care reform. For the Americans United for Life team, that means that a summer that was already busy (thanks to the President's troubling nomination of Judge Sonia Sotomayor to the Supreme Court) now kicks into even higher gear with an all-out push to educate Americans on the White House's health care reform agenda.

We've created a new Web site featuring our legal team's expert analysis on the health care reform plans currently in the House and Senate. Learn how these plans would mandate taxpayer-funded abortions, deprive medical providers of their rights of conscience, and possibly result in denial of care for the elderly and the disabled. There's also a petition so that you can add your voice to the thousands urging the President to keep abortion out of health care. Please sign it and tell your friends, so we can show the Obama Administration that **real health care respects life**. Click this banner to visit the site:

You can see it's proving to be a long, hot summer here in Washington -- especially when we've got to put the heat on the White House and Congress to do the right things. Thank you for joining me in protecting and defending life!

Dear Daniel,

If you participated in last week's Stop the Abortion Mandate webcast event, allow me to thank you and offer my congratulations! With 36,187 pro-lifers participating, you participated in the largest online pro-life event in history. Together, we are making a difference! And, here in Washington, I can tell you that the folks on Capitol Hill are taking notice.

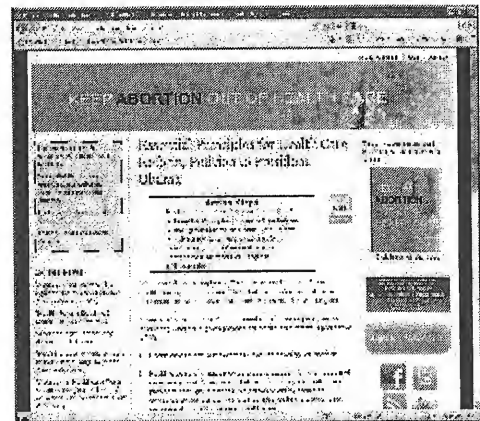

The matter could not be more urgent. As I said in the webcast, this is "quite literally a defining moment for us. If the abortion lobby succeeds at defining abortion as health care, they will have shifted the entire debate. We've listened to them for years describing the horror of abortion as 'reproductive health.' Now they are reaching for their ultimate objective of removing the 'reproductive' adjective and making it mandatory health care, plain and simple -- making abortion beyond our ability to regulate at all."

The next step is to contact your Members of Congress and President Obama - and then let your friends know that if they want to keep abortion out of government-funded health care, **the time to speak up is now.** We here at AUL Action have made it easy for you with our new Web site:

KeepAbortionOutOfHealthCare.com

Visit KeepAbortionOutOfHealthCare.com to:

- Learn AUL Action's "Essential Principles for Health Care Reform"
- Read our "Talking Points on Health Care Reform"
- Sign the petition to President Obama
- Contact your Members of Congress
- Tell your friends what they can do to keep abortion of health care

After you've visited KeepAbortionOutOfHealthCare.com, be sure to listen to the entire recorded replay of last night's webcast event:

- You can [download an MP3 audio file to listen on your computer or iPod](#), or
- [Download high-quality MP3 audio to copy onto CDs](#) and share with others

Now, more than ever, our actions together have the potential to save the lives of millions of unborn children. Thank you for standing up to protect and defend life!

The Legislative Arm of Americans United for Life

Dear Daniel,

Arizona Governor Brewer has signed three new life-saving bills into law. HB 2400 enacts a state ban on partial-birth abortion; HB 2564 provides for informed consent, limits distribution of abortifacients to physicians, and protects the right of conscience for healthcare providers - including pharmacists; and SB 1175 prohibits abortions from being performed except by a licensed physician.

We at Americans United for Life Action encourage all Arizonans to thank Gov. Brewer for passing these crucial, life-saving bills.

We have set up a quick and easy way for you to do this on our website. A sample letter is ready to go if you don't want to write anything yourself. Just click on the following link to email Gov. Brewer:

The Legislative Arm of Americans United for Life

Dear Daniel,

The Arizona Senate is currently considering two life-saving bills, Senate Bills 1138 and 1206. Senate Bill 1138 would modify the definition of partial-birth abortion and specify the term of imprisonment for someone who performs a partial-birth abortion, both in order to achieve the absolute banning of partial-birth abortion. Senate Bill 1206 modifies abortion statutes, including the establishment of guidelines for a minor to grant informed consent. These bills will save the lives and protect the basic human rights of Arizonans.

We at Americans United for Life Action encourage all Arizonans to urge your state Senators to pass these crucial, life-saving bills.

We have set up a quick and easy way for you to do this on our website. A sample letter is ready to go if you don't want to write anything yourself. Just click on the following link to email your Senators:

Dear Daniel,

The Ohio Legislature is currently considering a life-saving resolution, HCR 13/SCR 6, in order to stop the federal Freedom of Choice Act (FOCA). President Obama promised that one of his top priorities is to sign FOCA into law and eliminate virtually every abortion law in the nation.

We at Americans United for Life Action encourage all Ohioans to urge your legislators to vote in favor of this resolution!

We have set up a quick and easy way for you to do this on our website. A sample letter is ready to go if you don't want to write anything yourself. Just click on the following link to email your legislators:

Dear Daniel,

The New York Assembly is currently considering a life-threatening bill, AB 3607, or the "Women's Reproductive Domain Act." This bill is a state version of the Freedom of Choice Act (FOCA) and would undermine New York's right to regulate abortion and protect women's health. This bill would eliminate virtually every abortion law in New York.

We at Americans United for Life Action encourage all New Yorkers to urge your Representatives to vote against this bill!
